The Arts

CUA20620 Certificate II in Music

CERTIFICATE

About the certificate

By the end of this year course you should be able to confidently play, make music in a group by developing the skills for working in an ensemble, develop industry knowledge and operate recording and P.A. equipment using safe handling practices. You are also given experience in music creation including song writing, compositional techniques and engaging with sound creation software e.g. Garageband, Sibelius, Pro Tools.

You are required to work independently to gather evidence and maintain a portfolio of work samples and relevant information. You must own your own instrument and accessories and previous experience with that instrument is essential (chords, riffs, tabs). You will select from guitar, bass, drums or voice and be assessed on one instrument only. By completing this course, you can apply to study a higher certificate at Cyril Jackson if available or a State Training Provider. Other possibilities include applying to study music (Contemporary) at WAAPA.
