Unit 2 Personal Design

The focus of this unit is personal design. You will learn to visually communicate aspects of your personality, values and beliefs through affiliations and manipulation of personal surroundings and environments. You explore design elements and principles and the design process in a project, communicating something of themselves. You will increase familiarity with basic production skills and processes, materials and technologies. Using industry standard software, you will learn how to produce 2D and 3D drawings, including both presentation and working drawings. You will also produce the drawings on a 3D printer that will demonstrate how your designs are assembled and operate.

 Prerequisites Nil	 Type of Assessment 70% Production 30% Response
 Year of Study Year 11	 Costs \$70
