Hospitality

CERTIFICATE

SIT20322 Certificate II in Hospitality

About the certificate

The Certificate II will provide you with an opportunity to develop skills, knowledge and training that open up pathways into the Hospitality and Tourism Industry. The course content provides you with the foundation skills that are required to be successful in the food industry.

This course will provide you with the opportunity to develop practical skills in food preparation and food service. The course requirements include participating in a range of practical based functions both on campus and at local community events. The focus on transferrable skills including team-work, communication skills in the workplace and laws and regulations for food safety. This is an opportunity to gain confidence and understanding on seasonality and a wide range of commodities and fresh produce from our community garden.
